## Mayor's Innovation Challenge

The Mayor's Innovation Challenge is calling on students to come up with a creative idea that contributes to making Kingston a better place to live, work or play. This is a great learning opportunity for those looking to gain valuable career experience through paid internships or for those looking to grow an idea into a business venture. Participation is simple: we're asking individuals or teams of up to three to submit a 2-3 minute video outlining an idea that could be implemented in the city and contributes to the quality of life of residents, or a proposal that leverages emerging technologies or develops new innovations to enhance the delivery of municipal services. The individuals or teams of submissions that are shortlisted will be invited to a pitch competition on **Friday March 10th** where panelists can ask more questions about the idea. Post-secondary students can win paid internships with the City of Kingston or win seed funding through the Dunin-Deshpande Queen's Innovation Centre (<https://www.queensu.ca/innovationcentre/launch/qyourventure>).
